Understanding this document

This Diploma Supplement was developed by the European Commission, Council of Europe and UNESCO/CEPES. The purpose of the supplement is to provide sufficient data to improve the international transparency and fair academic and professional recognition of qualifications (diplomas, degrees, certificates etc.). It is designed to provide a description of the nature, level, context, content and status of the studies that were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended. It is free from any value judgements, equivalence statements or suggestions about recognition.

The information given overleaf is provided by the University[#], under the terms of the Data Protection Act 1998, from its student administration system as the academic and identifying personal information recorded for the student named. It is issued with an explanatory document, 'The University of Southampton Explanatory Notes on the Diploma Supplement'^{##}, and, when read together, it constitutes a full Diploma Supplement.

The Diploma Supplement is divided into the following eight sections: section one, information identifying the holder of the qualification; section two, information identifying the qualification; section three, information on the level of the qualification; section four, information on the content of the qualification and the results gained; section five, information on the function of the qualification; section six, additional information; section seven, certification of the Diploma Supplement and section eight, a summary and description of the UK Higher Education and Training System. Sections on this document are numbered appropriately to correspond with this convention. Sections six and eight, and aspects of sections three, four and five, are continued in the explanatory document.

The University issues its full Diploma Supplement solely to students who completed the requirements for the award of one of its degrees or other qualifications in or after the academic year 2008-09^{###}. The transcript information alone is provided to students who completed studies before 2008 or who have undertaken studies which did not lead to the award of a degree or other qualification by the University.

A transcript is an authoritative and official record of a learner's programme of study to date, the grades they have achieved and the credit they have gained. Neither the Diploma Supplement nor the transcript is proof of an Award from the University.

The University's programmes of study leading to the award of a named degree or other qualification comprise the study of modules. A module is a self-contained unit of teaching, learning and assessment. Each module has a credit weighting based upon the proportion of time that students are expected to devote to the module. The University uses a credit point system compatible with the QAA Higher Education Credit Framework for England: Guidance on Academic Credit Arrangements in Higher Education in England, August 2008. The European Credit Transfer Scheme (ECTS) has been developed by the European Commission. This is a system based on ECTS credits (student workload), designed to facilitate mobility, credit accumulation and transfer and the international recognition of periods of study completed abroad. Occasionally students may accumulate credits at other institutions. This University will represent the marks achieved for those credits on this document. The modules taken outside of the University can be clearly identified by the last 3 digits of the module (e.g. BIOL1999). The language competency levels used by the University are informed by the Council of Europe's Common Framework of Reference. Modules are assigned levels, represented on this document with the following values and meanings:

0/NQF3 Level 3 (Foundation level)	6/NQF7 Level 7 (Master)
1/NQF4 Level 4 (Certificate of Higher Education level)	7/NQF7 Level 7 (Master of Philosophy)
2/NQF5 Level 5 (Diploma of Higher Education level)	8/NQF8 Level 8 (Doctorate)
3/NQF6 Level 6 (Bachelor including Advanced Diploma in Nursing)	L1-L7 Language competency levels 1-7

The modules and credits studied in each programme year are set out in the individual programme specification as published.

All the module outcomes obtained by a student are represented on this document. The module outcome is represented by a mark. Numerical marks are shown in the University's 0-100 scale. Non numerical marks are shown on a scale of A, B, C, D, E, F. The letter P denotes a Pass and the letter F denotes a Fail, where the module is being marked on a pass/fail basis. Where P is used as postscript to a numerical mark it denotes that the module has been passed, even though the mark appears to be below the module pass mark. Where F is used as postscript to a numerical mark it denotes that the module has been failed, even though the mark appears to be above the module pass mark. The notation 'AU' indicates that the module was audited: this means that the student attended the teaching, but assessment was not taken for any credit. The notation 'AUAB' indicates authorised absence from the assessment of the module. Each mark printed on this document is accompanied by relevant mark code. The code denotes as follows:

OE – Original Entry;	recording the student's original achievement in the first attempt at the module assessment
RE – Referral;	recording the student's achievement in the referral sitting of a module when the original achievement was not a pass
CR – Capped mark;	recording the level at which the student's mark was capped following referral, according to the regulations used for progression and in the classification of Award
OM – Original Mark;	recording the student's achievement when taking a referral as if for the first time according to the regulations used in progression and in the classification of Award

The Honorable Joseph Callaway, II
Randy D. Doub United States Bankruptcy Courthouse
150 Reade Circle, Room 257
Greenville, NC 27858

Dear Judge Callaway:

I am submitting this letter to express my interest in a judicial clerkship in your chambers and to highlight my qualifications. Throughout my time at the University of Akron School of Law, I focused on gaining experience and performing well academically. I maintained a 3.74 GPA, ranked 13 in my class, and graduated *summa cum laude*. I was a research assistant to Professor Horvath, whose research focused on medical product liability under the Restatement (Second) of Torts and comment k. Amongst my other qualifications, I graduated *summa cum laude* from Bowling Green State University.

This past summer, I was a summer associate at Brennan, Manna, and Diamond and will continue there after taking the UBE in July 2023. Before my law clerk position, I was a judicial extern for the Honorable John R. Adams. I also completed a legal internship with GE Lighting, a Savant Company. To supplement these experiences, I participated in the law school's transactional clinic and the civil practice clinic, where I received my certified legal intern certificate to gain litigation experience.

In addition to gaining experience, I dedicated myself to performing well in academics and deepening my understanding of the law. I served as a production editor on the Editorial Board of the *Akron Law Review*. My student note, "*The Scrivener's Error: How Bankruptcy Judges Overrule Health Experts on Medicare Decisions*," was published in Volume 56 of the *Akron Law Review*. I also participated in the Business Law Society and Health Law Society.

Enclosed, please find my resume, writing samples, my transcripts, and letters of recommendation. For ease of reference, here is the contact information for all recommenders should you wish to reach out directly:

The Honorable Bankruptcy Judge Joseph N. Callaway II
U.S. Bankruptcy Court, Eastern District of North Carolina
Greenville Division
2nd Floor Courtroom
150 Reade Circle
Greenville, NC 27858

Dear Judge Callaway:

Please find my application for the 2023–2024 term law clerk position in your chambers. I am a rising third-year law student at Roger Williams University School of Law on the *Roger Williams University Law Review* with prior bankruptcy chambers experience.

Prior to law school, I counseled student loan borrowers in distressed situations by educating them on insolvency and Department of Education repayment assistance plans. My experiences connecting to and collaborating with my clients allowed me to assist Judge Diane Finkle’s work on the U. S. Bankruptcy Court for the District of Rhode Island and the litigants in our courthouse on sensitive matters. My time there provided me with a firm foundation for understanding the challenges of a rigorous docket, and I am confident that I can positively contribute to solving these challenges as your judicial clerk. Academically, I have strived to excel in all my doctrinal classes. This drive led me to joining the *Roger Williams University Law Review* and my position as the Rhode Island Editor. Additionally, I work one-on-one with Professor Andrew C. Spacone as his teaching and research assistant for the business organizations, securities regulations, and mergers and acquisitions courses, and we regularly collaborate to form weekly student assignments. These collaboration, research, and writing skills will continue to be strengthened by my future work with Sensata Technologies, Inc. and Ursillo, Teitz & Ritch, Ltd.

I welcome the opportunity to speak with you about the contributions I can make in your chambers. Please find enclosed my resume, transcript, and writing sample. Letters of recommendation from Professors Andrew C. Spacone and Colleen P. Murphy will come under separate cover. Thank you for your time and consideration.

Sincerely,
/s/ Arya Omshehe

The Honorable Joseph Callaway, II
Randy D. Doub United States Bankruptcy Courthouse
150 Reade Circle, Room 257
Greenville, NC 27858

Dear Judge Callaway:

I am a third-year law student at Loyola University Chicago School of Law, and I am writing to apply for the clerkship position in your chambers. I am particularly interested in your chambers because of its collaborative environment, and I believe that I can contribute to your team as I am eager to learn from the opportunity.

I am the Editor-in-Chief of the Loyola University Chicago Law Journal and was captain of the Criminal Law Mock Trial competition team. As a result, I have learned to maximize my research skills in any setting; and produce concise, thorough writing products while meeting demanding deadlines. In addition to my research and writing skills, I have strong interpersonal and communication skills and enjoy working collaboratively with others and building community. Prior to law school, I taught middle school for five years. I earned a master's from Johns Hopkins University while teaching full-time. For my undergraduate degree, I attended the University of Illinois, where I double-majored, was a collegiate athlete, and served in multiple advocacy roles on campus. My experience and involvement in the community required me to develop excellent time management and interpersonal skills.

Moreover, being a second-career law student has taught me that you get out what you put into all commitments. For example, as a teacher, having a smooth-running classroom meant I needed to put in the effort during and after the class period—I take this same attitude into the legal profession. I believe no job is too big or small, and I strive to be humble, hungry, and smart (socially and academically). The grit, sheer determination, and growth mindset I have developed through prior work experience and life will undoubtedly make me a strong teammate in your office.

I welcome the opportunity to discuss my background and skills with you in further detail. Thank you for your time and consideration.

Sincerely,

Nicholas Reinberg

THE SEMESTER/TRIMESTER SYSTEM

A semester is approximately 16 weeks (approx. 20 weeks for graduate-level courses at the Medical Center). Not all classes meet for the entire length of the semester. After September 1987, the School of Dentistry used a 14-week trimester.

The semester credit hour equals fifty minutes of classroom activity, two fifty-minute periods of laboratory or studio work, or three to four fifty-minute periods of fieldwork or clinical experience. Credit hours are earned by passing a course.

Attempted credit hours indicate the amount of work a student attempted without reference to grade received. All grades except "W" and "AU" count as attempted credit hours.

The standard undergraduate load is 12 to 18 credit hours per semester. Beginning in the Fall of 2011, students are required to complete 120 hours with a minimum GPA of "C" (2.0) to earn their undergraduate degree. Students graduating prior to the Fall of 2011 were required to complete a minimum of 128 hours with a minimum GPA of "C" (2.0) to earn their undergraduate degree.

THE QUARTER SYSTEM

The Graduate School of Business, the School of Dentistry (prior to September 1987), the Center for Organizational Development (as of September 1993), and the Institute of Human Relations and Industrial Relations operate on the quarter system calendar. However, credit is reported by the semester hour. Prior to the Second Summer Session 1985, basic medical science departments at the Medical Center reported in quarter hours.

JANUARY TERM

In 2012 Loyola University Chicago introduced a condensed, intensive, two week study session.

THE HONORS DEGREE

The honors degree indicates participation in a program requiring more extensive and independent work in the area of specialization as well as high accomplishment in regular course work. This degree is Loyola's highest form of undergraduate degree and is awarded to a minute fraction of graduates.

THE MAGIS SCHOLAR PROGRAM

Magis Scholars participate in designated academic courses and co-curricular activities in a program combining scholarship, leadership experience and service to others.

PARALEGAL STUDIES

Prior to the Fall 2014 the Paralegal Studies program was offered under the Graduate Career. Beginning with the Fall of 2014 the Paralegal Studies program is offered in the Undergraduate Career. The grading basis has remained consistent.

THE GRADUATE SCHOOL

Graduate students may earn credit towards a degree by:

1. Courses numbered 400 and above.
 2. Select or approved 300-group courses.
 3. Approved law school courses at the 100- and 200-group courses.
- All above courses require a "B" or better for credit, with the permitted exemption of two grades "C" per student.

Advanced Standing/Transfer Credit may appear on the record if the courses were not taken as an undergraduate or used towards a professional or graduate degree and are appropriate to the student's program. A maximum of six semester (nine quarter) hours for a master's degree and 36 semester (54 quarter) hours for a doctoral degree may be considered at departmental discretion. The number of hours and the name of the institution appear on the transcript. Examinations for candidacy, language/research tool, and comprehensive examinations are posted "Admitted," "Passed," or "Sustained," respectively.

ARRUPE COLLEGE

Arrupe College began admitting students in Fall, 2015 with an Associate Degree offering. Students are required to complete 61 credit hours to earn their Associate Degree.

GRADING AND POINT SYSTEM

Prior to Fall 2004 Loyola University Chicago did not use (-) minus grades, and (+) plus added one half (.5) credit points to those carried by the letter grade.

Prior to Fall 2004 the Carthage Executive Program used a high pass/fail system.

Prior to Fall 2004 Pass (P) indicated use of Pass/No Pass option and "D" quality work or better while No Pass (NP) indicated work below "D" quality.

Prior to Semester II 1978-79 P or S indicated "C" quality work or better, and NP or U work below "D" quality.

Prior to Fall Quarter 2000, the Graduate School of Business did not permit plus (+) grades and prior to 1968 reported grades numerically (1-100). Prior to academic year 1985-86, the undergraduate graduate division did not permit plus (+) grades.

GRADING SYMBOLS

A	4 credit points
A-	3.67 credit points
B+	3.33 credit points
B	3 credit points
B-	2.67 credit points
C+	2.33 credit points
C	2 credit points
C-	1.67 credit points
D+	1.33 credit points
D	1 credit point
F	Failure in course: 0 credit points, but counts toward attempted credit hours
P or S	Pass with credit: indicates the use of the Pass/Fail or P/NP option where "P" is equivalent to work of "C" or better. NOTE: the Executive MBA (EMBA) Program, using the P/NP option, uses the "P" to indicate work equivalent to "B" or better.
NP or U	Failure without grade point penalty: indicates use of Pass/No pass option and work of a quality below "C-". Prior to Semester II 1978-79 indicates "D" quality or less. "NP" and "U" are equivalent terms.
I	Incomplete: For undergraduates a temporary grade that converts to "F" if not removed within a specified time frame. Prior to Fall 2002, the grade converted to "WF."
X	Absent from final exam. For undergraduates this is a temporary grade that must be removed within a specified time frame or will be converted to "WF." Discontinued for undergraduates Fall 2002.
W	Approved withdrawal from course. "W" does not count towards attempted credit hours or in GPA.
WE	Complete emergency term withdrawal. "WE" does not count towards attempted credit hours or in GPA. Effective Fall 2022.
WF	Failure: unauthorized or late withdrawal. Prior to Fall 2002, "WF" was also assigned when grades "I" or "X" were not resolved within specific time frame. "WF" counts towards attempted credit hours and affects GPA. Discontinued Fall 2022.
AU	Audit. "AU" does not count towards attempted credit hours or affect GPA.
CR	Credit: Indicates completion of a Thesis Supervision (595), Dissertation Supervision (600), or those courses for which no credit hours are ordinarily awarded.
NC	No Credit: Indicates failure to complete a Thesis Supervision (595), Dissertation Supervision (600), or those courses for which no credit hours are ordinarily awarded.
NG	No grade submitted.
NR	No course work completed or no basis for determining a grade.

GRADE POINT AVERAGE

Grade Point Average (GPA) at the end of the term is determined by dividing the total number of quality points earned by the total number of attempted graded credit hours carried in the term, less courses designated as Pass/Fail. Quality points are the result of multiplying credit points by credit hours. Grades of "P," "S," "NP," "U," "HP," and "PS" are included in hours attempted, but not for purposes of computing GPA. Grades "P," "S," "HP," and "PS" designate hours earned. Grades "I," "X" and "NR" are not computed until they have been replaced with a permanent grade. The cumulative GPA is specific to the academic career of Arrupe College, Undergraduate, Graduate, Graduate Business, or Law School. Computation of a student's cumulative GPA uses all course work attempted at Loyola to date while enrolled in a particular career, and is computed with the same formula. Grades earned at non-affiliated institutions are not computed into a Loyola student's GPA. Transfer credit counts as credit hours towards graduation but is not calculated in the GPA. Prior to Semester I 1985-86, Advanced Placement Credit was computed in the calculation of GPA.

The Honorable Joseph N. Callaway II
United States Bankruptcy Judge for the Eastern District of North Carolina
Randy D. Doub Courthouse
150 Reade Circle
Greenville, NC 27858

Dear Judge Callaway:

I am an attorney admitted to the bar of South Carolina. I am writing to express my interest in serving as a judicial clerk for the 2023-2024 term. I have a demonstrated interest in bankruptcy through coursework and research.

Through my prior experiences, I have developed extensive writing and research skills. Currently, I conduct research on antitrust issues such as anti-poaching and wage-fixing for Compliance Legal. I revise and prepare complex agreements, including nondisclosure agreements and provisions of shareholder agreements, and conduct due diligence. Moreover, I worked with Professor Carliss Chatman conducting extensive research on complex mergers and acquisitions, securities, and bankruptcies. For this research, I effortlessly synthesized a substantial amount of case law into summaries with proper citations, compiled information to prepare accurate summaries of merger deals from 2019-2021, and completed additional research projects with minimal guidance.

Furthermore, my time with Krasner Law allowed me to develop my time management and analytical skills. I executed emergency orders to show cause, complaints, separation agreement provisions, and motions in an efficient and time-sensitive manner while balancing extensive research. Additionally, my ability to proactively address new and challenging situations makes me confident that I can contribute meaningfully to your chambers. When I interned for SAFE Homes, I confronted emergencies and provided creative solutions while providing emotional support to victims. I would welcome the opportunity to apply this knowledge as a judicial clerk. I am particularly interested in clerking for you because of your considerable experience as a bankruptcy and creditors' rights attorney and as a Chapter 7 trustee. I plan to specialize in bankruptcy and am particularly interested in Chapter 7 and 13 cases. I was eager to see that you have processed a significant caseload in those areas. I believe your insights would be extremely valuable as I transition into the practice of bankruptcy.

I look forward to the opportunity to speak with you, and I am honored to be considered. I have enclosed a resume, law transcript, writing sample, and letters of recommendation for your review. Please let me know if I may provide you with additional materials or answer any questions.

Sincerely,

Danielle Scott

The Honorable Joseph N. Callaway II

Dear Judge Callaway II:

I am a rising third-year student at The George Washington University Law School in the top 16-35% of my class and I am writing to apply for a clerkship in your chambers for the 2023-2024 term in anticipation of establishing my law practice in North Carolina.

During and prior to law school, I sought opportunities to hone my legal writing, research, and analysis skills. As a Law Clerk with the U.S. Department of Justice, Environment & Natural Resources Division and Legal Intern with the Fairfax County Attorney's Office, I drafted several briefs that were incorporated directly into court filings. With each assignment, I challenged myself to write clear, accurate, and concise work products. As a Legal Intern with the Maryland Department of Planning, I learned how to develop a research strategy and analyze difficult matters while preparing a memo on a novel legal issue. Additionally, my classwork and contributions on the *Journal of Energy and Environmental Law* have taught me how to shift my writing to fit the audience. As a Summer Law Clerk with Klein Hornig, a leading affordable housing firm, I have developed an understanding of transactional and business law. Prior to law school, I developed my communication skills while working at various levels of government and politics, where I regularly gave remarks on behalf of U.S. Senator Chris Van Hollen and successfully managed an underdog mayoral candidate in Annapolis, Maryland. I believe these experiences give me the skills to be a strong addition to your chambers.

Enclosed is my resume, unofficial transcript, and writing sample. GW will submit my letters of recommendation from Trial Attorney Jeffrey Scott Thomas, Professors Marc Hansen and Amanda Conn, and Professor Stuart Ginsberg to accompany my application.

I look forward to the opportunity to answer questions about my qualifications and passion for this work. Thank you very much for your time and consideration.

Respectfully,

Scott Travers

Honorable Joseph N. Callaway II
Randy D. Doub U.S. Bankruptcy Courthouse
150 Reade Circle, Room 257
Greenville, NC 27858

Dear Judge Callaway:

I am writing to apply for a 2024-2025 term clerkship with your chambers. I am currently a third-year student pursuing a joint dual-degree, earning a Master of Law (LL.M.) from Georgetown University Law Center and a Bachelor of Laws (LL.B.) from King's College London, with an expected graduation date of May 2024.

I am confident that I could meaningfully contribute to the U.S. Bankruptcy Court's work in North Carolina. This summer I am working at an international boutique law firm, where I contribute to restructuring projects for multinational companies in light of tax obligations and shifting geopolitical tensions. I also assist in drafting trust structures to protect assets from creditors in case of bankruptcy. As a research assistant for Professor Claussen at Georgetown Law, I compile various sources to create succinct summaries of mechanisms under the United States-Mexico-Canada Agreement. As an intern for the U.S. Department of Justice Criminal Division, I wrote thorough and precise memoranda reviewing U.S. treaty obligations. Additionally, I analyzed asset forfeiture requests to trace and identify assets. As a writer for the Lawyers Without Borders King's College London Student Division, I wrote and published articles relating to rule of law issues and human rights violations. These experiences have sharpened my ability to strategically approach and answer complex legal questions.

My resume, law transcripts, writing sample, and letters of recommendation are submitted with this application. My recommenders are:

Ms. Julie Cohen

Dear Judge Callaway:

I am a third-year law student at the University of Pittsburgh School of Law and wish to apply for a clerkship in your chambers for the 2024 term. I aspire to practice law in the South, where I was born and raised.

I believe my course work and previous work experience for Circuit Judge D. Michael Fisher on the Third Circuit would make me a strong addition to your chambers. My work experience reflects my commitment to quickly producing excellent legal writing necessary to be a successful clerk within your chambers. This year I will further develop my time management and writing skills by representing five siblings in immigration court as the primary student attorney for the University of Pittsburgh Immigration Law Clinic.

My resume, unofficial law school transcript, and writing sample are submitted with this application. Pitt Law will submit my recommendations from Professors Wildermuth and Oh and Judge Fisher under separate cover. I would welcome the opportunity to interview with you and look forward to hearing from you soon.

The Honorable Joseph N. Callaway II
United States Bankruptcy Court for the Eastern District of North Carolina
Randy D. Doub United States Courthouse
150 Reade Circle
Greenville, NC 27858

Dear Judge Callaway:

I am a rising third-year student at Albany Law School, and an Associate Sub-Editor on the ALBANY LAW JOURNAL OF SCIENCE AND TECHNOLOGY, *Vol. 33*. I am writing to apply for a 2023-2024 term clerkship in your chambers, as I would love the opportunity to continue to learn bankruptcy law under your guidance and wisdom.

As you will see from my enclosed resume and transcript, I recently gained acceptance to New York's Pro Bono Scholars Program for the spring of 2023, in which I intend to complete my placement in a bankruptcy assistance program for low-income residents of New York. This summer I have been working at Drake Loeb PLLC where, in connection with our representation of creditors, I have been drafting motions for summary judgment in breach of contract and foreclosure actions and preparing legal research memorandums on a variety of bankruptcy issues, such as the likelihood of a creditor's claim being non-dischargeable in bankruptcy. This summer I have also observed multiple 341 Meetings in connection with our representation of creditors.

Additionally, I received an A+ in my bankruptcy class at Albany Law, which was taught by Professor Paula Barbaruolo, Esq., who also wrote one of my enclosed recommendations. As part of that class, I performed the means test, prepared a Schedule A/B of assets, a Schedule C of exempt assets, and observed a Chapter 13 court calendar and a Chapter 7 trustee discuss their daily responsibilities and duties.

If you have any questions, please feel free to contact me at the above address, telephone number, and/or email address. Thank you very much for considering my application for a clerkship in your chambers.

Respectfully,

Morgan Welling
